Escrima Concepts Membership

If you are training in an Escrima Concepts class you also will need to be a member of the Escrima Concepts organisation. This costs £10 a year and is due each January. Your membership from when you start until your first January is covered by Cambridge Kung Fu.

Please note that our pricing structure takes in to account the fact that we are closed for the Christmas Holidays and that most people will take approximately one month's holiday each year in addition to this. Therefore Direct Debit payments will remain continuous throughout the year unless you have made a prior arrangement with us. We require one month's notice if you intend to stop training with us/paying for your classes. Annual payments are non-refundable unless there are exceptional circumstances; refunds are at the discretion of our Chief Instructor.
