*The £10 discount that we offer for additional children attending our classes is also applied to any other family members attending our classes (as long as all members are paid for on the same payment).

Please note that our pricing structure takes in to account the fact that we are closed for the Christmas Holidays and that most people will take approximately one month's holiday each year in addition to this. Therefore Direct Debit payments will remain continuous throughout the year unless you have made a prior arrangement with us. We require one month's notice if you intend to stop training with us/stop paying for your classes. Annual payments are non-refundable unless there are exceptional circumstances; refunds are at the discretion of our Chief Instructor.
